

## About MOBOTIX AG

MOBOTIX AG is a public traded software company with in-house hardware development for digital, high-resolution and network-based video security solutions. MOBOTIX AG is known as the leading pioneer in network camera technology since its founding in 1999. Our fast growing company with more than 400 employees at our Langmeil location and our subsidiaries in New York and Sydney offers you excellent opportunities and perspectives to actively and successfully shape your future in a highly motivated team.

We are looking to fill the following position with immediate effect:

## Technical Project Engineer Spain Based in our office in Madrid

### Your job:

- Technical pre-sales field activity
- Technical presentations and hands-on training with customers
- Conducting trainings and webinar sessions
- Mapping out wishes and technical requirements of our clients, developing solutions and system design
- Supporting the Business Development Manager with identifying and filtering the right and feasible projects
- Supporting new partners with high growth potential with their first installations
- Communication in a documented format to the right people within the company

### Your profile:

- Higher technical qualification (deep IT and IP network knowledge)
- Specified technical knowledge in IP video surveillance and home automation
- Experience with managing technical projects
- Excellent communication and presentation skills
- Very good Spanish speaking and writing skills, preferred as native speaker
- Very good English speaking and writing skills
- Willing to frequently travel (approx. 80%) throughout the region and to the headquarters for training and events

### We offer:

- Performance-related salary
- Attractive working environment in a fast-growing, dynamic company
- Very good career prospects
- Frequent courses and trainings
- Additional benefits, including: travel allowance, company child allowance and company pension scheme

If you look for a real challenge and have outstanding degree and certificates, send us your application by mail or e-mail.
